

Part IV

INDEX TO CALCOFI REPORTS, 1950-1982

This index lists all articles by title, by first author, and by subject, and was generated from the publications listed below. The year in parentheses is the pub-

lication date; the roman numeral following it is the volume number to which index entries refer.

California Cooperative Sardine Research Program Progress Report, 1950. (1950) I
California Cooperative Sardine Research Program Progress Report, 1 January 1951 to 30 June 1952. (1952) II
California Cooperative Oceanic Fisheries Investigations Progress Report, 1 July 1952 - 30 June 1953. (1953) III
California Cooperative Oceanic Fisheries Investigations Progress Report, 1 July 1953 - 31 March 1955. (1955) IV
California Cooperative Oceanic Fisheries Investigations Progress Report, 1 April 1955 - 30 June 1956. (1956) V
California Cooperative Oceanic Fisheries Investigations Progress Report, 1 July 1956 - 1 January 1958. (1958) VI
California Cooperative Oceanic Fisheries Investigations Reports, Volume VII, 1 January 1958 to 30 June 1959. (1960) VII
California Cooperative Oceanic Fisheries Investigations Reports, Volume VIII, 1 July 1959 to 30 June 1960. (1961) VIII
California Cooperative Oceanic Fisheries Investigations Reports, Volume IX, 1 July 1960 to 30 June 1962. (1963) IX
California Cooperative Oceanic Fisheries Investigations Reports, Volume X, 1 July 1962 to 30 June 1963. (1965) X
California Cooperative Oceanic Fisheries Investigations Reports, Volume XI, 1 July 1963 to 30 June 1966. (1967) XI
California Cooperative Oceanic Fisheries Investigations Reports, Volume XII, 1 July 1966 to 30 June 1967. (1968) XII
California Cooperative Oceanic Fisheries Investigations Reports, Volume XIII, 1 July 1967 to 30 June 1968. (1969) XIII
California Cooperative Oceanic Fisheries Investigations Reports, Volume XIV, 1 July 1968 to 30 June 1969. (1970) XIV
California Cooperative Oceanic Fisheries Investigations Reports, Volume XV, 1 July 1969 to 30 June 1970. (1971) XV
California Cooperative Oceanic Fisheries Investigations Reports, Volume XVI, 1 July 1970 to 30 June 1971. (1972) XVI
California Cooperative Oceanic Fisheries Investigations Reports, Volume XVII, 1 July 1971 to 30 June 1973. (1974) XVII
California Cooperative Oceanic Fisheries Investigations Reports, Volume XVIII, 1 July 1973 to 30 June 1975. (1976) XVIII
California Cooperative Oceanic Fisheries Investigations Reports, Volume XIX, 1 July 1975 to 30 June 1976. (1977) XIX
California Cooperative Oceanic Fisheries Investigations Reports, Volume XX, 1 July 1976 to 30 June 1978. (1979) XX
California Cooperative Oceanic Fisheries Investigations Reports, Volume XXI, 1 July 1978 to 31 December 1979. (1980) XXI
California Cooperative Oceanic Fisheries Investigations Reports, Volume XXII, 1 January to 31 December 1980. (1981) XXII
California Cooperative Oceanic Fisheries Investigations Reports, Volume XXIII, January 1 to December 31, 1981. (1982) XXIII

Abalone fishery, XIII:58

Abbott, D. P., and R. Albee: Summary of Thermal Conditions and Phytoplankton Volumes Measured in Monterey Bay, California, 1961-1966. XI:155-156

Abundance, Composition, and Recruitment of Nearshore Fish Assemblages on the Southern California Mainland Shelf. A. J. Mearns. XX:111-119

Accumulation of Fish Debris in Certain California Coastal Sediments. A. Soutar. XI:136-139

Acoustic/aerial surveys, South West Africa, XIX:40-41

Advection — A Climatic Character in the Mid-Pacific. G. R. Seckel. VII:61-65

Age and Growth of the Market Squid, *Loligo opalescens* Berry, from Statoliths. J. D. Spratt. XX:58-64

Age-Composition Changes in the Anchovy, *Engraulis mordax*, Central Population. K. F. Mais. XXII:82-87

Agency activities

California Academy of Sciences, VIII:8; X:3; XI:9; XII:10; XIII:6; XIV:6; XV:6; XVI:6; XVII:6; XVIII:6-7; XIX:6

California Department of Fish and Game, VIII:8; IX:6-7; X:2-3; XI:10-11; XII:10-13; XIII:6-7; XIV:6-7; XV:6; XVI:6-8; XVII:7-9; XVIII:7-9; XIX:6-7

Hopkins Marine Station, Stanford University, VIII:9-10; IX:7; X:3; XI:12; XII:13-14; XIII:6; XIV:7-10; XV:7; XVI:8; XVII:11

National Marine Fisheries Service (Fishery-Oceanography Center) [name changed from U.S. Bureau of Commercial

Fisheries], XIV:11-13; XV:9-12; (Southwest Fisheries Center) [further name change], XVI:10-14; XVII:18-29; XVIII:13-18; XIX:12-18

San Diego State College, XII:14-15

Scripps Institution of Oceanography, University of California [Marine Life Research Program], VIII:10-11; IX:7-10; X:4-7; XI:12-14; XII:15-17; XIII:8-9; XIV:10-11; XV:7-9; XVI:8-10; XVII:11-18; XVIII:9-13; XIX:7-12

U.S. Bureau of Commercial Fisheries, VIII:11-12; IX:10; X:3-4; XI:14-20; XII:17-21; XIII:9-10

Ahlstrom, E. H.: Co-occurrences of Sardine and Anchovy Larvae in the California Current Region off California and Baja California. XI:117-135

Ahlstrom, E. H.: Eggs and Larvae of Anchovy, Jack Mackerel, and Pacific Mackerel. V:33-42

Ahlstrom, E. H.: Fisheries Oceanography. VIII:71-72

Ahlstrom, E. H.: Fish Spawning in 1957 and 1958. [Sardines] VII:173-179

Ahlstrom, E. H.: Kinds and Abundance of Fishes in the California Current Region Based on Egg and Larval Surveys. X:31-52

Ahlstrom, E. H.: Mesopelagic and Bathypelagic Fishes in the California Current Region. XIII:39-44

Ahlstrom, E. H.: What Might Be Gained from an Oceanwide Survey of Fish Eggs and Larvae in Various Seasons. XII:64-67

Ahlstrom, E. H., and H. G. Moser: Characters Useful in Identification of Pelagic Marine Fish Eggs. XXI:121-131

- Ahlstrom, E. H., and E. Stevens: Report of Neuston (Surface) Collections Made on an Extended CalCOFI Cruise During May 1972. XVIII:167-180
- Ahlstrom, E. H., and J. R. Thraikill: Plankton Volume Loss with Time of Preservation. IX:57-73
- [Ahlstrom, E. H.] In memoriam, XXI:5
- Ainley, D. G.: Birds as Marine Organisms: A Review. XXI:48-53
- Air and sea surface temperature anomalies, VIII:106, 111
- Airborne radiometers, XX:138-142
- Airplane spotting, V:13, 16; VI:12
- Air-sea system on monthly and seasonal scale, XII:36-39
- Albacore I:42; II:44
- catch, VIII:49, 50
- distribution, VIII:49-50
- migration, VIII:52
- zinc-65 and DDT residues in, XVI:66-73
- Alvarez Borrego, J., and S. Alvarez Borrego: Temporal and Spatial Variability of Temperature in Two Coastal Lagoons. XXIII:188-197
- Alvarez Borrego, S., M. de J. Acosta Ruiz, y J. R. Lara Lara: Hidrología Comparativa de las Bocas de Dos Antiestuarios de Baja California. XIX:78-83
